

Expecting Mothers Suggested Itinerary

Kane Chamber of Commerce

Before embarking on a day of pampering and relaxation, we highly recommend booking a room at the historic and newly renovated **Kane Manor Inn**. They serve a nice breakfast daily from 7:30-9:00 AM, and this will also allow you to have a private and quiet place to rest your feet or freshen up at any time.

Begin the day at **Drift** with an hour-long float (ask your Dr.) or Reiki session. This will ensure that you start off your day nice and relaxed. Remember to eat a small snack or breakfast before your session.

Then enjoy brunch at **The Barrel House** restaurant, which is located right beside Drift. (Some sources say that eating before an ultrasound helps “wake the baby up”, but they do have a mind of their own!)

With that in mind, your next stop will be with Lacy at **Beautiful Beginnings Imaging** for an OB ultrasound. Here you can also find maternity shirts, baby clothes, stuffed animals that can record a baby’s heartbeat for a forever keepsake, natural soaps, and much more!

Next on your agenda is a hair wash and styling. Your options of salons include **The Style Station II, Penny Barber Beauty Shop, The Beauty Bar, or Untangled by Bonnie**.

If you would like to have your makeup done before your maternity photo shoot, Penny at **Penny Barber Beauty Shop** (who is also a Mary Kay consultant) is an excellent option.

Whenever you are ready for lunch, right uptown you will find **Pepe’s Pizzeria, Table 105, The Lodge, Roma Gardens, and Texas Hot**. On the outskirts of town, you can also find **Flickerwood Winery** and **CJ Spirits** which serve great lunch options in a picturesque setting. Reservations are not typically required during lunch hours.

Finally, your day will conclude with a maternity photo shoot. Suggested location options include the Allegheny National Forest, Kinzua beach, or the sunflower field. Options for photographers include Betsy Carroll Rich at **Betsy Carroll Photography**, Megan Harris at **Madam Rose Photography**, or Alex Bond at **Alex Bond Photography**. Betsy also offers package options as well as flyers and coupons that you can find at Beautiful Beginnings Imaging.

It is your choice whether you make this a one-day event, or if you stay a weekend at the Kane Manor Inn and spread out your pampering to make the experience last a little longer. For other suggestions, please contact us at the Kane Chamber of Commerce.
